Update on CCAC Client Health Information Available in ClinicalConnect™

Due to changes being implemented by the Ontario Association of Community Care Access Centres (OACCAC), effective November 25, 2014, Client Notes from the CCAC's Client Health and Related Information System (CHRIS) will no longer be available in ClinicalConnect.

Educational materials have been updated to reflect OACCAC's system change. Please visit our [website](#) for all the latest educational materials.
