New 'Days Back' Option Added to Certain Census Filters in ClinicalConnect™

We are pleased to announce that a new 14-day option has been added to the "Days Back" filter for the following census lists in ClinicalConnect:

- All My Patients
- Discharge
- Inpatient
- Outpatient

This 14-day option is in addition to the existing filters of "Today", "1", "3" and "7" Days Back. Please visit the ClinicalConnect information website at <http://info.clinicalconnect.ca/CC/resources> for more information.

ClinicalConnect is the Regional Clinical Viewer for the cSWO Program, funded by eHealth Ontario. Hamilton Health Sciences is the Solution Provider deploying ClinicalConnect across the four South West Ontario Local Health Integration Networks. The cSWO Program is part of eHealth Ontario's Connecting Ontario initiative which is enabling the Province to achieve an electronic health record solution for all Ontarians.

For more information on ClinicalConnect and to see the Integration Status Chart that provides an overview of all the types of data available in the secure web portal, please visit <http://info.clinicalconnect.ca/integration>.
